

## **EXHIBIT SURVEY**

## **WE MAKE EXHIBITS HAPPEN**

**Exhibits To Show** (**ETS**) was created to provide museums, institutions, libraries, schools, hospitals, hotels, and other organizations with quality exhibits that are **ready to show**. These exhibits are available for purchase or for rent. Custom exhibits are also available and are offered in a variety of sizes depending upon your needs. All exhibit panels are produced on a light-weight material that is suitable for interior or exterior exhibit use. This material features high rigidity, together with scratch and peel resistance. The material offers clear, sharp presentation of text, graphics, and photography.

WHAT WE DO: ETS researches, scripts, designs, photographs and fabricates these exhibits for your use. When completed the exhibits are shipped to you. All your museum/institution needs to do is book the exhibit, add artifacts and you have an Exhibit to Show!

In order to better serve your needs, ETS would like your input on the short survey below. We appreciate your interest and would like to hear from you about your exhibit needs.

This survey can be filled out online at www.exhibitstoshow.com and emailed to us, or faxed to us at (336) 510-2756. You can also mail the survey to Exhibits To Show 500 West Parkway Ave. High Point, NC 27262.
